

# Positive Vibes

There are 5 Positive Vibes boards located in different facilities around ACS. All ACS and PI Staff are encouraged to participate by submitting notes to help celebrate ACS Staff members who have affected you in a positive way. Notes will be collected periodically shared with the staff and posted on the board closest to the employee's facility 😊

**For those who work in a facility without a nearby board:** please email your Positive Vibes comments to [swells4@ufl.edu](mailto:swells4@ufl.edu) and a card will be generated to hang on the board closest to the recipient. Make sure to include:

- ✚ “Positive Vibes” in the subject
- ✚ Who the comment is about
- ✚ The facility/section they work in
