

# \$ Operation Piggy Bank \$

March 13 - 31, 2020

*A Financial Wellness Speaker will be invited to our 3/13/20 All Staff Meeting to give insight and information on how to improve financial wellness. After the presentation, we will challenge employees to try tracking and analyzing their expenses for 2 weeks (for your own records nothing will need to be shared w/ us). At the end of the challenge, we will use a short Qualtrics Survey to document participation in this challenge 😊*
